DETAILED ACTION

1. Applicant's Amendment filed on 8/15/2006 in response to the Office Action mailed on 7/26/2006 has been entered with amended claims 1, 8-10 and cancelled claims 2-3. In this Office Action, claims 1, 4-10 are pending and for allowance renumbered as 1-8.

Reasons for allowance

1. The following is an examiner's statement of reasons for allowance:
 - Prior art of record does not appear to teach or suggest or render obvious the claimed limitations in combination with the specific limitation "an object comprises a document d generated by co-occurrence of words within the document, wherein the hierarchy is generated by for each document d , choosing a document category α according to the probability $P(\alpha|d) \propto P(d|\alpha) P(\alpha)$ " as recited in independent claim 1. The prior art of record fails to teach or suggest in combination with other limitation and "selecting a label v according to the category-conditional probability $P(v|\alpha)$ and restricting $P(v|\alpha)$ to give positive probability only to label that are above category in the hierarchy", in independent claim 1.
 - Dependent claims 3, 8-10 were objected in the Office Action mailed on 7/26/2006.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
